Vision Statement

Our vision is to be a contemporary Catholic school that is inspired by the Franciscan values of simplicity and harmony.

A school where everyone works together so that our students can grow and learn, be supported and loved, be informed and empowered, practise forgiveness and cooperation, and become lifelong learners.

A school that acknowledges the importance of relationships through the active development of positive partnerships with our families, our St Maximilian Kolbe Parish, and our local community.

Mission Statement

We, the Community of St Francis College Crestmead, shall reflect in every aspect of our lives the values, beliefs and traditions of our Catholic faith.

We will strive for inner peace and freedom from fear through prayer and reflection. We will nurture a climate which encourages wholeness, esteem, hope, care, compassion and understanding. Our students will be encouraged to make decisions and commitments which will help them grow spiritually, intellectually, physically, emotionally and socially.

We will accept each other as individuals with unique talents and gifts. Our parents and teachers will work together to foster in our students a desire to learn and encourage the development of basic skills necessary to achieve to their full potential in an ever changing world. We will endeavour at all times to be responsible models for justice and the Franciscan spirit of poverty.

We believe that God has given us the responsibility of stewardship over Creation. It is the work of students, staff and parents to contribute to the protection and promotion of natural and human welfare in order to advance the creative activity of God.

With St Francis and St Clare, in simplicity and harmony we will “follow the teachings of our Lord Jesus Christ and walk in his footsteps”.
