STUDY AREAS

WHETHER YOU DREAM OF A CAREER IN HEALTH OR HOSPITALITY, ENGINEERING OR ELECTROTECHNOLOGY, CONSTRUCTION OR COMMUNITY SERVICES, TAFE QUEENSLAND HAS THE COURSE OPTIONS TO KICK START YOUR CAREER.

AUTOMOTIVE

Rev up your career with a course in automotive. Learn about cars, engines, and vehicle components, and set yourself on the path to becoming a professional mechanic.

13

BEAUTY AND HAIRDRESSING

The beauty and hairdressing industry can be highly competitive, so our qualifications are designed to meet industry needs with real-world experience and purpose-built facilities. Use these skills to launch your career in retail, skin care, make-up or hair styling.

18

CONSTRUCTION

Develop basic skills in carpentry such as learning to read and interpret plans and specifications, use construction tools and equipment and achieve the foundation skills for a wide range of occupations.

20

FURNITURE MAKING

Gain practical hands-on skills, learn how to create pieces of wooden furniture and increase your prospects of gaining an apprenticeship in Cabinet Making or Furniture Making.

21

PLUMBING

With a strong focus on safe plumbing practices, increase your prospects for a career in the plumbing industry by developing skills with this pre-apprenticeship course.

22

COMMUNITY SERVICES

Make a difference with a career in community services. You will work to promote safety and well-being of children, families and at risk members of the community.

23

ELECTROTECHNOLOGY

Be at the cutting-edge of technology. This course is suited to mechanically minded students who enjoy technology and mathematics.

24

ENGINEERING

Gain all the skills you need to build a career in engineering. Learn about the fabrication, mechanical, production and technical areas of manufacturing.

25

HEALTH

Calling on all nurturers and carers who have a passion for health. Training in this industry will open doors to a rewarding career in one of Australia's fastest-growing sectors.

26

HOSPITALITY & COOKERY

Feel the rush of working in a fast paced industry whether it is in the front of a restaurant or behind the scenes in a commercial kitchen. Gain skills to work anywhere in the world.

28

LOGISTICS

Start your career in the logistics and transport industry. Learn basic stock processing and build skills in managing a supply chain.

30

MARITIME

Love being on the water? Enjoy a rewarding career in the maritime industry working on vessels in Australia or overseas. Gain skills in safety and survival at sea, fire-fighting, communications, navigation and practical seamanship.

31

TOURISM

Develop skills in communications, planning, organisation and operations management, enabling you to excel in the exciting field of tourism.

32

PROGRAMS BY LOCATION

If location is key for you, search for courses offered by campus location.

33

DISCLAIMER

Funding for your course may be available through the Vocational Education and Training in Schools (VETiS) Program, funded by the Queensland Government. Eligibility criteria applies. Courses are run on demand and require a minimum number of participants.

Completion of a TAFE Queensland Diploma may allow you direct entry into certain nominated Degrees at TAFE Queensland's University partners or may provide credit points towards your Degree, subject to you meeting all of the requirements for admission stipulated by the relevant University. For more information call 1300 308 233.

The information contained in this Course Guide is correct at the time of printing. The requirements of each qualification are reviewed via the regulator (ASQA) to ensure they reflect current industry practices. When superseded, the qualification codes will change to reflect the latest version. For the latest information regarding qualifications registered to TAFE Queensland please visit tafeqld.edu.au.

The materials presented in this publication are distributed by TAFE Queensland as an information source only. The information and data included in this publication is subject to change without notice. TAFE Queensland makes no statements, representations, or warranties about the accuracy or completeness of, and you should not rely on, any information contained in this publication.

TAFE Queensland disclaims all responsibility and all liability (including without limitation, liability in negligence) for all expenses, losses, damages, and costs you might incur as a result of the information in this publication being inaccurate or incomplete in any way and for any reason.

In many areas of Australia it is considered offensive to publish photographs of Aboriginal and Torres Strait Islander people who are deceased. Readers are warned that this publication may inadvertently contain such photographs.

Programs are subject to change and commencement is subject to sufficient student numbers.

GET MORE OUT OF HIGH SCHOOL WITH OUR TAFE AT SCHOOL PROGRAMS

If you're a year 10*, 11 or 12 student you can complete a TAFE Queensland qualification while you're still at school.

Choose from a variety of certificate I to certificate III courses with study areas ranging from health to hospitality, community services to construction, and everything in between.

HOW TO APPLY

To submit an application for a TAFE at School Program, visit **www.tafeapply.com**

You'll need this application code (TQN1901) to apply. You will also need your USI number. If you don't have one yet, head to **www.usi.gov.au** to create one.

*Subject to a letter of support from the school principal.

PRACTICAL EXPERIENCE

"It was good to finish high school with hands-on skills and basic industry knowledge, it gave me options."

"I would recommend TAFE at School for sure, it gives you some knowledge and hands-on skills that not everyone has coming out of high school."

Harvey Phillips
Certificate II in Engineering Pathways

TAFE AT SCHOOL STUDY OPTIONS

GET STARTED AT TAFE QUEENSLAND

TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. It's a big statement, but one that's backed by research and confirms our impressive track record. We've been in the business of training for more than 130 years and have trained more than seven million people. At last count, we had more students than all the Queensland universities combined.

TAFE Queensland's award-winning teachers, purpose-built facilities and strong industry partnerships will help you get the real-world skills that you need to achieve your future career or study goals. We have more than 400 practical, nationally-recognised qualifications for you to choose from, and hundreds of university pathways to take you even further.

GET A HEAD START WITH A TAFE AT SCHOOL COURSE

Most year 11 and 12 students are eligible to participate in a TAFE at School program. You can choose to study from more than 50 exciting and varied certificate level vocational education and training (VET) courses. Best of all, a TAFE at School certificate can be achieved in conjunction with your senior studies and counts towards your Queensland Certificate of Education (QCE).

TAFE AT SCHOOL IS A GREAT WAY TO:

- Get a qualification while still at school
- Gain direct entry into our diploma courses
- Gain valuable credits towards your QCE
- Gain credits towards an apprenticeship, diploma course or university studies
- Make you work ready
- Build practical skills in an adult learning environment
- Learn from professionals, bursting with current industry knowledge.

Enrolment is subject to eligibility requirements. Please visit our website or contact our TAFE at School team for details.

INDUSTRY EXPERIENCE

Some TAFE at School programs require students to undertake work placements, or in some instances to work in the industry. This gives students the opportunity to build their skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement.

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a vocational qualification while you're still at school in a way that best suits you.

TRAIN AT TAFE QUEENSLAND

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-relevant workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll learn from our highly-qualified teachers and benefit from their vast experience.

TRAIN AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland certificate when you complete your course.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

Apprentices are trained in a skilled trade, such as plumbing or electrical, and upon successful completion will become a qualified tradesperson. Trainees are trained in a vocational area, such as early childhood or business, but the training does not deliver a tradesperson qualification.

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland; however you may need to pay some costs for tools and compulsory protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit www.training.qld.gov.au/apprenticeshipsinfo.

WHAT DOES IT COST?

Costs vary course to course. Please check our website for the most up-to-date prices. A range of TAFE at School courses are fee-free for eligible students, covered under VET in Schools (VETiS) funding. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past. For further information, please refer to the VETiS section of training.qld.gov.au.

Eligible students are entitled to one VETiS funded program only.

PAYMENT OPTIONS

Payment plans may be available to assist students with payment of their course, however, students under 18 will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website.

STUDENT SUPPORT

At TAFE Queensland we aim to create a supportive and inclusive learning environment to help you achieve your study goals. Your school's student assistance program is responsible for ensuring you receive appropriate levels of support while you are participating in the TAFE Queensland environment.

TIMETABLED TO YOUR SCHOOL YEAR

TAFE Queensland term dates align with Queensland school terms and fit within your current timetables.

TERM DATES 2019

YEAR 12	15 November 2019
YEAR 11	29 November 2019
YEAR 10	29 November 2019

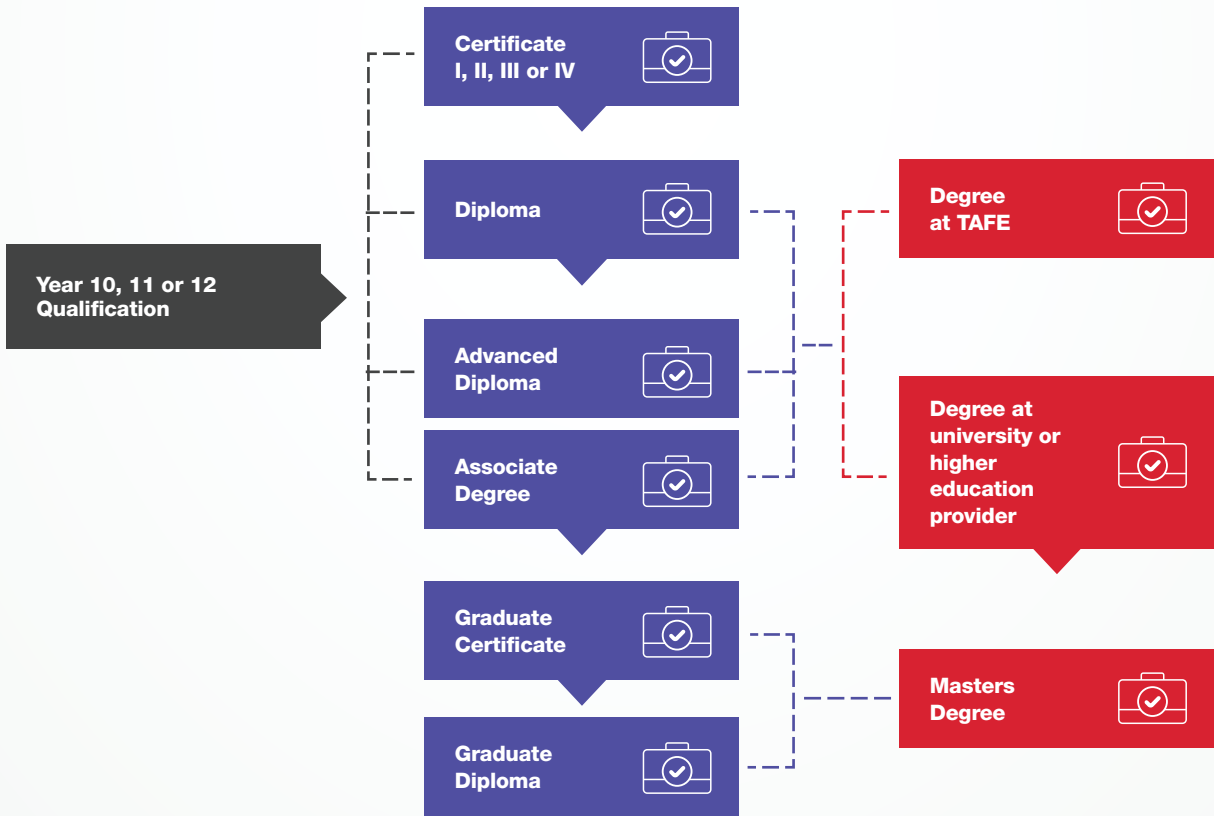

PATHWAY TO YOUR FUTURE

THERE ARE PLENTY OF WAYS TO LAND YOUR DREAM CAREER, SO WHY NOT GIVE YOURSELF A HEAD-START AND FAST-TRACK YOUR STUDIES IN THE PROCESS?

When you study a TAFE at School course, you are taking the first step on your path to higher education.

Once you complete your TAFE at School certificate, you are guaranteed a place in any of TAFE Queensland's diploma courses. When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree.

 Employment ready

THE NEXT STEP

BECOME AN APPRENTICE OR TRAINEE

Our trades courses offer the perfect way for you to get the skills you need to secure an apprenticeship or traineeship in your dream career.

Applying for an apprenticeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees.

Visit an Apprenticeship Network Provider (ANP) to help connect you with an employer.

Studying a TAFE at School pre-apprenticeship can boost your chances of landing your dream job.

Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract direct with TAFE Queensland.

ENROL IN A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

When you complete your TAFE at School qualification, you can continue your study in a TAFE Queensland diploma of your choice.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees.

GO TO UNIVERSITY

When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree. It's a seamless study experience that offers you the chance to do uni differently.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university gives you credit for your study at TAFE Queensland, shaving time off your degree.

VALUE OF TAFE

OUR PARTNERSHIPS

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland award on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact the TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.

Teachers can train in certificate I and II programs relevant to the delivery of TAFE at School programs, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing trade-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

CONTACT US

For more information about partnerships, please contact our TAFE at School team.

OUR CAMPUSES

WHILE YOU STUDY WITH US, OUR CAMPUSES WILL BE YOUR HOME AWAY FROM HOME. THAT'S WHY WE'VE MADE SURE EACH LOCATION IS WELCOMING, LIVELY AND PERFECT FOR PRODUCTIVE LEARNING.

TAFE Queensland campuses are spread over many locations across Queensland. We are perfectly placed to help you make the most of everything that Queensland has to offer educationally, socially and geographically.

Refer to the back cover of this brochure for campus address details.
For a full list of our campus locations or for detailed maps of each campus, please go to our website at www.tafeqld.edu.au

AUTOMOTIVE

CERTIFICATE II IN AUTOMOTIVE ELECTRICAL TECHNOLOGY COURSE CODE: AUR20416

CORE UNITS

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA002	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR008	Remove and replace electrical units and assemblies
AURETR009	Install vehicle lighting and wiring systems
AURETR011	Install basic ancillary electrical systems and components
AURETR012	Test and repair basic electrical circuits
AURETR015	Inspect, test and service batteries

***Elective units** to be confirmed

PATHWAY OPTIONS

Certificate II in Automotive
Electrical Technology
(May be completed as a TAFE Queensland
program or traineeship)

APPRENTICESHIP ONLY

Certificate III in Automotive
Diesel Engine Technology

Certificate III in Automotive
Drivetrain Technology

Certificate III in Automotive
Electrical Technology

Certificate III in Automotive
Engine Reconditioning

Certificate III in Automotive
Manufacturing Technical Operations
Bus, Truck and Trailer

Certificate III in Heavy Commercial
Trailer Technology

Certificate III in Light Vehicle
Mechanical Technology

Certificate IV in Automotive
Mechanical Diagnosis

CAREER OUTCOMES

Automotive trade assistant,
vehicle service assistant

CAREER OUTCOMES

Automotive electrician,
automotive air-conditioning fitter,
automotive electrical fitter,
automotive manufacturing technician,
automotive mechanic,
automotive parts interpreter,
diesel fitter,
vehicle body builder

Specialist tradesperson master
technician, technical advisor, repair
manager, vehicle service manager

DELIVERY AND CAMPUS

Face to face, one day per week
Cairns,
Townsville Trade Training Centre, Bohle

Face to face, block training
Mount Isa

DURATION

4 terms

FEES

No cost to students or school for first
qualification. Eligibility criteria applies.
Fully government subsidised.

QCE CREDITS

4 credits

Learn the skills to perform a range
of tasks related to the service and
repair of electrical and mechanical
systems in light or heavy vehicles.
Gain hands-on experience in the
servicing of engines, building
and soldering electric circuits,
balancing wheels and tyres,
installing electrical accessories
and performing other electrical
and mechanical tasks. This course
will equip you with skills to enter
an apprenticeship in either
automotive mechanical or
automotive electrical.

AUTOMOTIVE

DELIVERY AND CAMPUS

Face to face, one day per week
Charters Towers,
Townsville Trade Training Centre, Bohle

DURATION

4 terms

FEES

No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

QCE CREDITS

4 credits

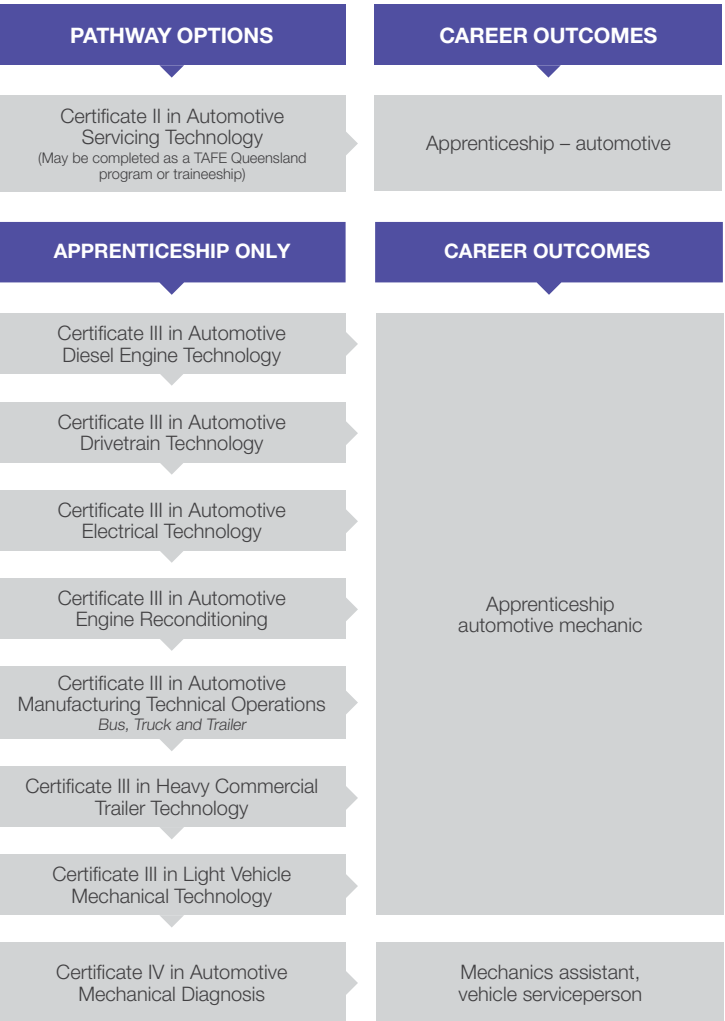

Gain foundation skills to fuel your career as an automotive mechanic or heavy vehicle mechanic. Develop the skills and knowledge required to perform a range of servicing operations on light and heavy vehicles, within a mechanical service or repair business. This course provides a pathway to an apprenticeship.

AUTOMOTIVE

CERTIFICATE II IN AUTOMOTIVE SERVICING TECHNOLOGY COURSE CODE: AUR20516

CORE UNITS	
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA002	Follow safe working practices in an automotive workplace
AURATA001	Identify basic automotive faults using troubleshooting process wes
AURETR015	Inspect, test and service batteries
AURTTA004	Carry out servicing operations
AURTTB001	Inspect and service braking systems
AURTTC001	Inspect and service cooling systems
AURTTD002	Inspect and service steering systems
AURTTD004	Inspect and service suspension systems
AURTTE004	Inspect and service engines
AURTTK002	Use and maintain tools and equipment in an automotive workplace
AURTTQ001	Inspect and service final drive assemblies
AURTTQ003	Inspect and service drive shafts

*Elective units to be confirmed

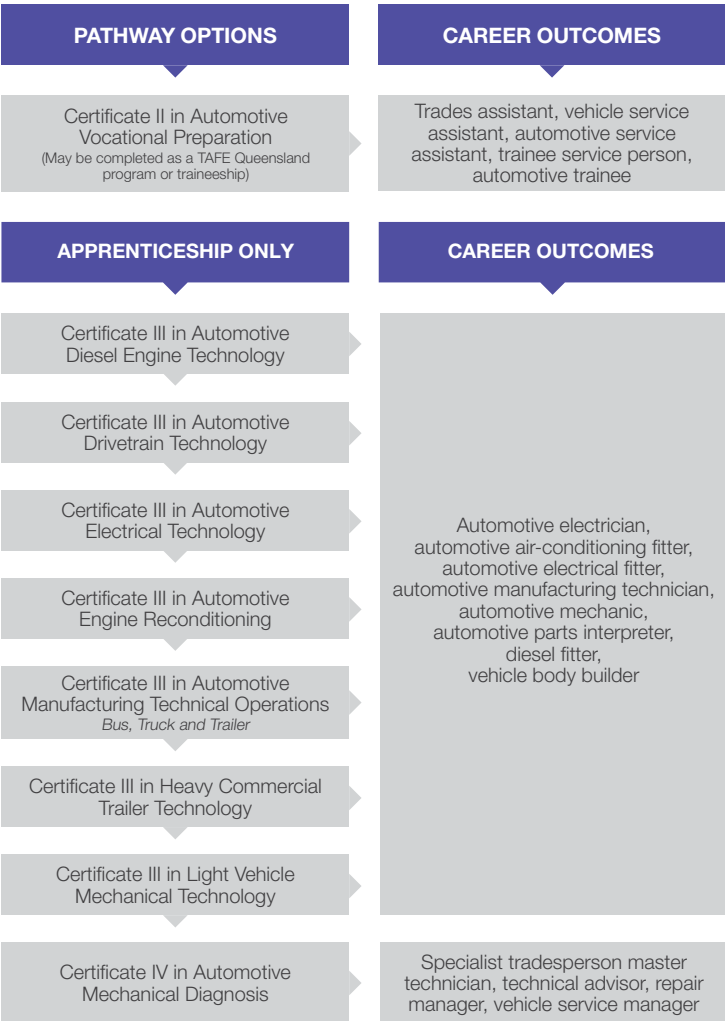

AUTOMOTIVE

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION COURSE CODE: AUR20716

CORE UNITS	
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURAF A003	Communicate effectively in an automotive workplace
AURAF A004	Resolve routine problems in an automotive workplace
AURASA002	Follow safe working practices in an automotive workplace
AURETR003	Identify automotive electrical systems and components
AURLTA001	Identify automotive mechanical systems and components
AURTTK002	Use and maintain tools and equipment in an automotive workplace

*Elective units to be confirmed

DELIVERY AND CAMPUS

4 credits

The hairdressing industry can be highly competitive, so our qualifications are designed to meet industry needs with real-world experience and purpose-built facilities.

Learn basic hairdressing tasks, communication techniques and product knowledge. As part of your practical training, you will perform activities in a live salon such as colour removal, shampoo and conditioning treatments, and client service. You can use this qualification as a credit towards your first year apprenticeship at a salon.

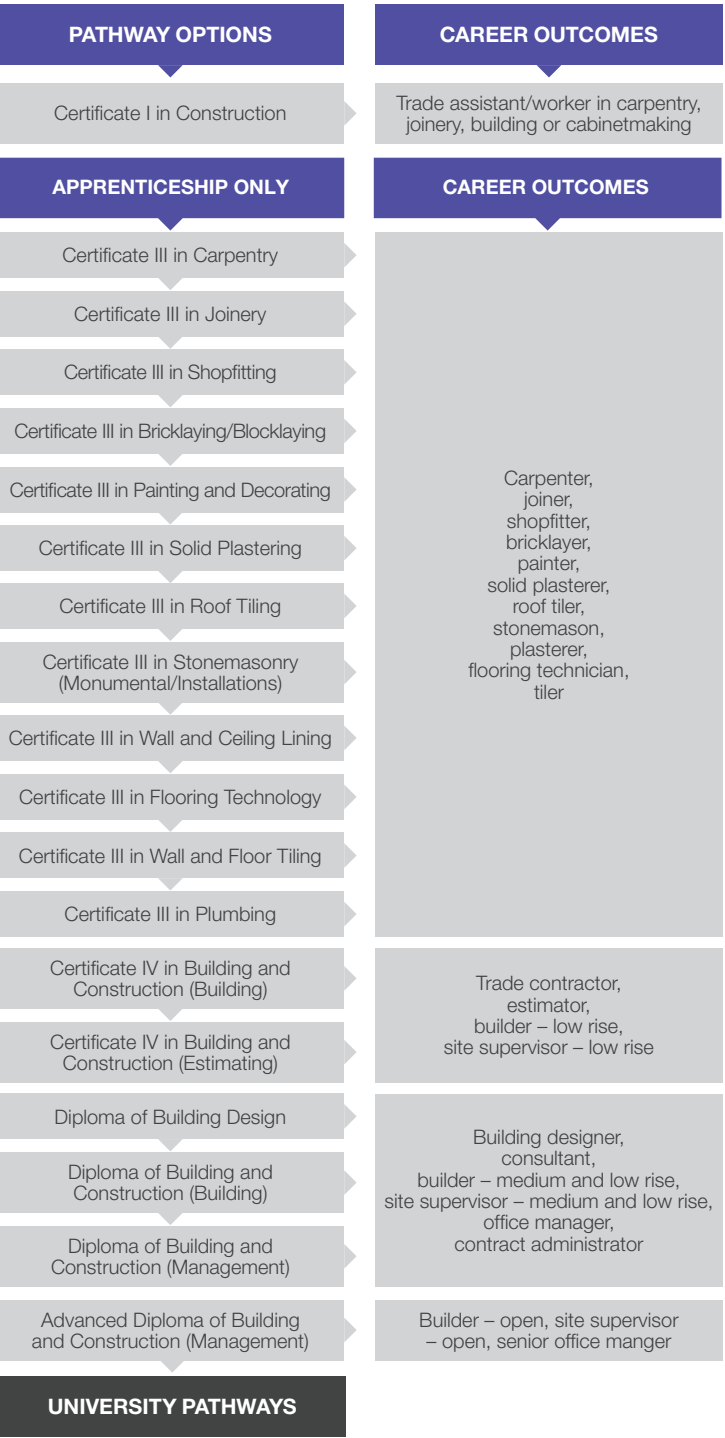

CONSTRUCTION

CERTIFICATE I IN CONSTRUCTION COURSE CODE: CPC10111

CORE UNITS	
CPCCCM1012A	Work effectively and sustainably in the construction industry
CPCCCM1013A	Plan and organise work
CPCCCM1014A	Conduct workplace communication
CPCCCM2001A	Read and interpret plans and specifications
CPCCCM2005B	Use construction tools and equipment
CPCCWHS1001	Prepare to work safely in the construction industry
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry
CPCCVE1011A	Undertake a basic construction project

***Elective units** to be confirmed

FURNITURE MAKING

CERTIFICATE II IN FURNITURE MAKING PATHWAYS COURSE CODE: MSF20516

CORE UNITS	
MSMENV272	Participate in environmentally sustainable work practices
MSMPCI103	Demonstrate care and apply safe practices at work
MSFGN2001	Make measurements and calculations
MSFFP2001	Undertake a basic furniture making project
MSFFP2002	Develop a career plan for the furnishing industry

***Elective units** to be confirmed

DELIVERY AND CAMPUS

Face to face, one day per week
Cairns,
Townsville Trade Training Centre, Bohle

Face to face, block training
Mount Isa

DURATION

4 terms

FEES

No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

QCE CREDITS

4 credits

Learn how to create pieces of wooden furniture and increase your prospects of gaining an apprenticeship. You will learn to use hand and power tools, assemble furnishing components, select and apply hardware, apply sheet laminates, construct furniture, and prepare for cabinet installation.

DELIVERY AND CAMPUS

Face to face, one day per week
Cairns,
Townsville Trade Training Centre, Bohle

Face to face, block training
Mount Isa

DURATION

4 terms

FEES

No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

QCE CREDITS

4 credits

Increase your prospects for a career in the plumbing industry by developing your skills with this pre-apprenticeship course. With a strong focus on safe plumbing practices, you will learn how to operate hand and power tools, read plans and perform basic welding and plumbing installation techniques. General Safety Induction (White Card) training is delivered in this course, which is an industry requirement to work on a Queensland construction site.

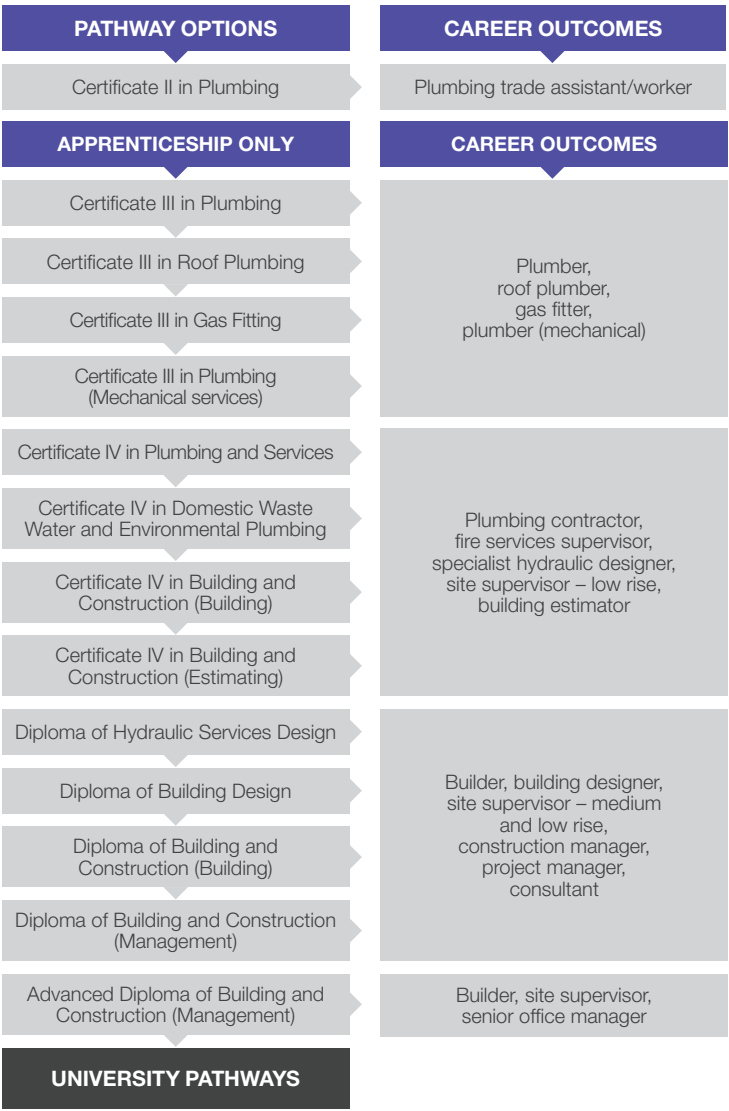

PLUMBING

CERTIFICATE II IN PLUMBING

COURSE CODE: 52700WA

CORE UNITS	
CPCCOHS1001A	Work safely in the construction industry
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry
CPCCCM2008A	Erect and dismantle restricted height scaffolding
CPCPCM2040A	Read plans and calculate plumbing quantities
CPCPCM2041A	Work effectively in the plumbing and services sector
CPCPCM2043A	Carry out WHS requirements
HLTFA211A	Provide basic emergency life support
CPCPCM2046A	Use plumbing hand and power tools
CPCPCM2048A	Cut and join sheet metal
CPCPCM2050A	Mark out materials
CPCPCM2052A	Weld using oxy acetylene equipment
CPCPCM2053A	Weld using arc welding equipment
CPCPCM2055A	Work safely on roofs
CPCPCM1015A	Carry out measurements and calculations
CPCPCM2010B	Work safely on heights
CPCPCM2047A	Carry out leveling
VPC080	80 hours vocational placement

*Elective units to be confirmed

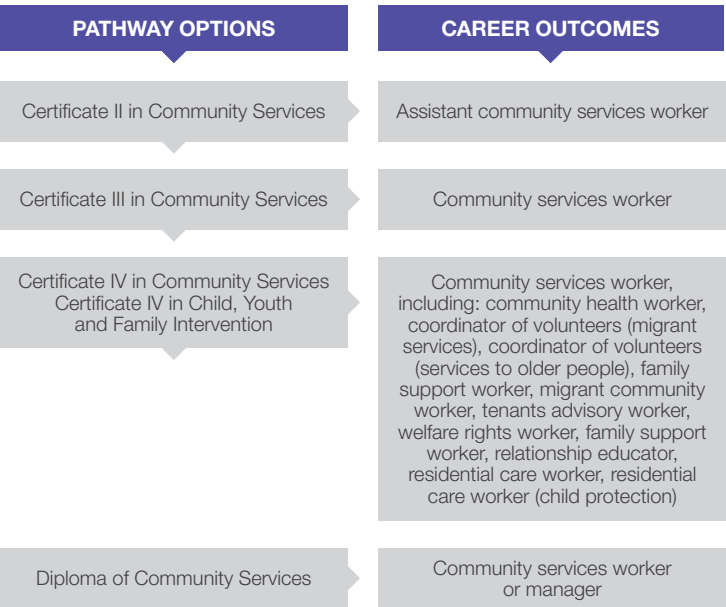

COMMUNITY SERVICES

CERTIFICATE II IN COMMUNITY SERVICES

COURSE CODE: CHC22015

CORE UNITS	
CHCCOM001	Provide first point of contact
CHCCOM005	Communicate and work in health or community services
CHCDIV001	Work with diverse people
HLTWHS001	Participate in workplace health and safety
BSBWOR202	Organise and complete daily work activities

*Elective units to be confirmed

DELIVERY AND CAMPUS

Face to face, one day per week
Bowen,
Cairns,
Townsville, Aitkenvale

DURATION

4 terms

FEES

No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

QCE CREDITS

4 credits

This course can be used as a pathway for entry into the community services industry as someone who provides a first point of contact and assists individuals in meeting their immediate needs. At this level, work takes place under direct, regular supervision within clearly defined guidelines.

DELIVERY AND CAMPUS

Face to face, one day a week
Cairns,
Ingham,
Mount Isa,
Townsville Trade Training Centre, Bohle

DURATION

4 terms

FEES

No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

QCE CREDITS

4 credits

Learn how to safely solve problems in extra-low voltage Direct Current (DC) circuits, identify and select materials for work activities, participate in environmentally sustainable work practices, use equipment/plant/ technologies, and dismantle, assemble and fabricate electrotechnology components. This course covers General Safety Induction course (White Card) training – an industry requirement to work on Queensland construction sites, a CPR certificate, and all units needed for Stage 1A of an electrical apprenticeship.

ELECTROTECHNOLOGY

CERTIFICATE II IN ELECTROTECHNOLOGY (CAREER START) COURSE CODE: UEE22011

*Students will be required to meet high language, literacy and numeracy (LLN) standards to gain entry into this program. A LLN assessment will be required at the time of application.

CORE UNITS	
UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace
UEENEEE104A	Solve problems in d.c. circuits
UEENEEE141A	Use of routine equipment/plant/technologies in an energy sector environment
UEENEEE148A	Carry out routine work activities in an energy sector environment
UEENEEE179A	Identify and select components, accessories and materials for energy sector work activities
UEENEK142A	Apply environmentally and sustainable procedures in the energy sector

*Elective units to be confirmed
