A warm Franciscan welcome to you all for the beginning of Term 3. After an indifferent first half of the school year on the personal front, it is great to re-join the St Francis community on a full time basis. I am thrilled to report that my 6 month old son Benjamin is recovering after surgery to repair his heart condition and he is expected to make a full recovery. Thanks to the wonderful medical staff at the Mater Hospital, he will grow up a normal little boy, just one that has a sizeable ‘zipper’ scar down the front of his chest. My sincere thanks to Mr Rob Canning who has ably stepped up into the Head of Primary role and Mr Tim Sione who has stepped up into the Acting APRE role in my absence. These two gentlemen, as well as the entire P-6 staff, have ensured that the P-6 section of the College continues to grow and flourish.

At the end of last term, we sadly bade farewell to Mr Mark Fogarty, a man who had dedicated 25 years to making St Francis College the great school it is today. On Monday, we warmly welcomed Mr Les Conroy to the Head of Secondary role. Les brings with him a wide variety of experiences to the role, including senior leadership positions in a number of Brisbane Catholic Education secondary schools and has spent the last 9 years as the Assistant Principal Administration at St Columban’s College, Caboolture. Les has already made a positive impression within our community and we look forward to a long and fruitful relationship.

As you would have seen, there are a number of building projects taking place at the moment. The Performing Arts precinct in the 7-12 area is nearing completion, the additional five P-6 classrooms are well underway and the front car park has had further work done to it. It’s a busy, and sometimes messy time, and we would like to say thank you for the patience you’ve shown. As a wise person once said - short term pain for long term gain - we are certainly experiencing this at the moment, however the outcome of these projects will be modern, contemporary learning spaces that will continue to enhance the reputation of this great College. We must acknowledge the support of the State Government, through the BGA (Block Grant Authority) Program and also Brisbane Catholic Education who are extremely supportive to the College. Without this support, there is no way we would be able to manage such projects.

This week sees the return of the SECA competition (Yr 8-12) for Term 3 and we wish the students all the very best for their respective sports. Year 11 students are very excited about their upcoming semi-formal and the significance of this event as a rite of passage has not been forgotten. We look forward to meeting the parents at this event at the Runcorn Tavern in a few weeks time.

On another note, in the 7-12 assembly, Mr Conroy spoke with students regarding their uniform and asked them to pay attention to the finer details of the uniform expectation. Also discussed on the assembly were the fantastic efforts by the Netball and Rugby League team over the holidays. Both teams performed with spirit and expertise that allowed them both to improve on previous years and be well placed in the competition. We would also like to thank the teachers and support staff who gave up part of their holidays to help, coach and support those student achieve their goals.

This week we are also celebrating NAIDOC Week and have welcomed two Aboriginal and Torres Strait Islander dance groups to perform for us. The P-6 phase of the school will also have a ceremony this Friday at 9.30am to bless their class covenants that they have stylised as Indigenous totems.

Thank you for a great start to the term. We would like to wish you all the very best for another great (and busy!) term at St Francis College.

Getting kids to school ON TIME!

Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late.

“Come on Jack! Get a move on. School starts in ten minutes and you’re not even dressed yet!”

If this scenario sounds familiar then you are not alone. Anecdotal evidence suggests that getting children to school or pre-school on time can be one of the most difficult tasks for parents.

Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late. Current research shows that mornings are the most productive time of the day with 10.00am the peak period for productivity. When children arrive late and take time to settle as they inevitably do precious minutes are lost. A child who is fifteen minutes late to school each day misses one week of school every year.

How can you get your dawdling kids out the door without yelling yourself hoarse? Here are a few techniques and ideas for you to try to get your punctually-challenged children to school on time:

✔ Establish a morning routine.

Make sure your children know what is expected of them in the morning, and also what you will do. Resist nagging but be willing to take them to school even if they haven’t fully prepared for the day.

✔ Identify and remove distractions such as television.

If the children are regular watchers before school change the routine and keep the TV off. It should only be turned on when children are completely ready for school.

✔ Teach some of the basics of time management.

The average adult underestimates by about 25 per cent the time it takes to do various jobs. Make sure you have realistic time estimates and stop packing things into the time you allocate. Encourage older children to estimate how long it takes to do activities such as getting ready in the morning. Then they can measure the time taken to do these tasks and compare their estimates with real time.

✔ Arrive at school ten minutes early.

Plan to arrive at school early rather than be there on time. This idea works well for perpetual latecomers, whether young or old.

✔ Model a good routine.

It’s pointless expecting children to be organised in the morning if you are in a muddle yourself. Set a good example by being as methodical as possible and avoid sleeping in unless your children are so organised that they get you breakfast in bed. And pigs might fly as well!

Beenleigh District Athletics Carnival - Friday 25th July
As part of Positive Behaviour for Learning we are teaching appropriate behaviours to students each week. These behaviours follow our school rules:

Respect Self  Respect Others  Respect the Environment

This week’s focus is on Respect Self and the behaviours we are asking the students to demonstrate in the classroom are:

- Be on time and line up with your equipment ready.
- Follow teacher directions with respect.
- Focus on your work.
- No phones or iPods without permission.
- Use your laptop wisely following teacher’s instructions.

Respect yourself wearing the correct uniform with pride at all times:

**Girls:**
- Blue skirt
- College/blue jumper
- Tie
- White socks
- Black lace up shoes (able to be polished)

**Boys:**
- Grey shorts
- College dress shirt
- Grey, navy and light blue striped band College socks
- Black lace up shoes (able to be polished)

**Business Marketing and Events Faculty**

**Business runs the world** and as you will see below the students and teachers doing business subjects have a very busy time ahead of us. During this term the Year 11 & 12 Business Communication & Technologies (BCT) class are organising a leadership conference for all the Year 12 2015 leaders of the 27 schools within the Logan catchment area. The conference, 'Logan Loves Leaders', will take place on Friday 10 November 2014 in the school College Hall and surrounding area. The students are responsible for planning, organising and running the event; it’s a big task but they are up to it!

The Certificate II in Business is looking at sustainability this term and, along with the Year 10s who are looking at global markets linked to Tourism are off to the Ekka in August.

The Year 9s will be busy preparing their presentations for the ‘Dragons’! The Legal Studies classes will be having a visit to the court to get a hands on understanding of how the court works. It is a busy time ahead. If at any time you would like to ‘catch up’ on what your child is doing in a business subject please do not hesitate to contact the College by phone or email me crofle@bne.catholic.edu.au.

SEMI FINAL – WON against Blackheath & Thornburgh 23-14
GRAND FINAL – LOST to St Andrew’s Lutheran 19-17

FINISHED RUNNERS UP OVERALL!
Most Valuable Player – Lisa Makaohi

Quick Wrap Up...
- The girls started in a higher division this year due to last years results
- Games were extremely close with close wins and draws
- By the end of the pool games we had finished equal FOURTH in our pool
- The finals would prove difficult but we managed a great win in the Quarter Final and Semi Final
- The grand final would be our toughest game yet and we were playing for the trophy in that division!
- Coming from behind at half time the girls clawed their way back and it was goal for goal in the last 2 minutes.
- Unfortunately we lost by 2 goals but the girls fought hard the whole game.
- This ended our 2014 campaign as RUNNERS UP - with our heads held high and lots of lessons learnt
- Every single girl gave it their all, all week and their never give up attitude is to be commended.

Overall, the girls performed admirably on and off the court. The girls should be extremely proud of what they have achieved. A number of umpires, coaches and spectators commented on the girls attitude and amazing behaviour.

Taylor, Nadia, NgaHemi, Tayla, Angel, Ashley, Borany, Jess, Lisa and Arihia you should all be VERY PROUD OF YOUR ACHIEVEMENTS!

Thank you to Lisha for her scoring and managerial skills!

MOST VALUABLE PLAYER: Damian Lam Sam

Thank You!

Quick Wrap Up...

- We received many compliments on the way we played the game, and on the way the boys interacted with other schools off the field and at our accommodation.
- Each and every student that went away responded to the challenge presented, and proved to themselves, and others, that by committing whole heartedly and pushing themselves they could achieve excellent results.
- We finished 5th overall in division 2, only narrowly losing our quarterfinal game after being held up over the line 3 times and having a try disallowed. This was disappointing, but the boys continued to give it their all and got excellent results on day 3 and 4.

Carlos, Tyson, Marcus, Albert, Ezra, Dallaglio, Lorenzo, Whetu, Anthony, Danny, Denzel, Damian, Aaron, Bradley, Albert, Jaidyn, Maresi, Ben T
YOU SHOULD BE VERY PROUD OF YOUR ACHIEVEMENTS!

Overall, the boys performed admirably in division two. We competed with the best teams in the division for periods of play, but our mental toughness, conditioning and ability to execute under pressure cost us some games.

SECA CONTINUES...

SECA continues in Week 1, 2, 4 and 5 this term. We look forward to seeing what teams make the finals and remember to wear your appropriate sport shoes on Thursdays!

CONGRATULATIONS!

Congratulations to Carlos Kiwi Kiwi and Whetu Kiwi Kiwi for making the Under 16 Queensland Junior Rugby Union City Team. They played the curtain raiser to the Reds verse Waratahs last weekend. GREAT JOB BOYS!

The audition application form is now available on the UQ School of Music website at http://www.uq.edu.au/music/2015-auditions-210197. Applications close on Monday 18 August 2014. Auditions will be held on the weekend of 20 and 21 September and on Saturday 4 October 2014. Students must also apply for the course through QTAC by 30 September 2014.

DEFENCE UNIVERSITY SPONSORSHIPS
You might be interested in these sponsorships if you are considering studying administration, engineering, law or a health science discipline in the future. To be eligible for a sponsorship, you need to commence your university studies at the university of your choice and successfully complete one year of a three or four year degree or two years of a five or six year degree.

Some of the benefits of the Defence University Sponsorship are:
- you get paid to study (up to $45,456 per year for undergraduates) and your remaining HECS fees are paid for by the Australian Defence Force (ADF)
- 18% superannuation contribution
- free health care (medical and dental)
- subsidised accommodation if required
- textbook allowance
- guaranteed job with the ADF at the end of your studies.

Your commitment is to work for a certain number of years as a full-time officer in the Australian Army, Navy or Air Force. If this sounds like a good opportunity, find out more at http://www.defencejobs.gov.au/unisponsorship.

SNIPPETS FROM THE QUEENSLAND UNIVERSITY OF TECHNOLOGY (QUT)
Honours courses – All B Design, B Urban Development and B Laws courses at QUT are now honours. It is expected that B Engineering will be an honours qualification in 2015. There are now honours pathways for nutrition and dietetics, podiatry and medical imaging (students can apply to enter the honours program at the end of their second year). You can view all QUT course changes at https://www.qut.edu.au/study/changes-to-courses.

Assumed Knowledge – Most courses at QUT have assumed knowledge rather than subject prerequisites. Students who do not meet the assumed knowledge requirements can gain entry to a course but may find the course very difficult. Students in this situation are strongly encouraged to undertake bridging courses in the assumed knowledge subjects required before they commence their studies at QUT. See http://www.qut.edu.au/assumed-knowledge for further information and a link to QUT bridging courses.

Entry requirements for degrees in education – From 2016 onwards these degrees have subject prerequisites not assumed knowledge. The subject requirement for entry into all education degrees will be English (4, SA) and at least one of Maths A, B or C (4, SA). For Primary or early childhood degree courses, applicants will also have to complete at least one of Agricultural Science, Biology, Chemistry, Earth Science, Marine Science, Marine Studies, Physics or Science 21. See https://www.qut.edu.au/education/about/news/news?id=69396.

Additional entry requirements – These apply mainly to QUT creative industry degrees. To gain entry to these courses you must apply directly to QUT by a specified date as well as to QTAC by 30 September 2014. Additional requirements may include an audition, a folio or an interview. See details at http://www.qut.edu.au/additional-entry. Due dates to submit additional requirements to QUT will be on the website shortly and in the QTAC Guide when you receive it in mid July. The following courses have additional requirements.

- B Fine Arts (Acting)
- B Fine Arts (Dance Performance)
- B Fine Arts (Dance)
- B Fine Arts (Visual Arts)
- B Music

Open Day – QUT’s open day will be held on Sunday 27 July 2014 at the Gardens Point Campus. On the open day webpage at http://www.qut.edu.au/open-day you can register for open day to win a MacBook Air. You can also plan your day using the open day program on this site. Include a visit to the QUT Art Museum to compete in the Art Heist competition to win one of five 64gb iPod touches. The Caboolture campus open day will be on Sunday 17 August 2014.

THE UNIVERSITY OF QUEENSLAND’S YOUNG SCHOLARS PROGRAM
This program provides high achieving Year 11 students with an opportunity to discover, learn and engage with UQ’s academic community and like-minded students from across Queensland. For more information, visit http://www.uq.edu.au/youngscholars/index.html. Applications will open in early June and close on 8 August 2014.

AUSTRALIAN DEFENCE FORCE (ADF) OFFICER ENTRY
There are many different pathways to become an officer in the ADF. For example:
- Graduate Officers http://www.defencejobs.gov.au/education/graduate/

For more information about these pathways telephone 131901. Year 11 and 12 students interested in gaining entry to the ADF should begin their application as soon as possible.

DO A SCHOLARSHIP SEARCH ON MYFUTURE WEBSITE
You can do this in the ‘Tools and resources’ section of myfuture (http://www.myfuture.edu.au). You can search by keywords or refine your search by region, field of study, level, type of support or target group.
