2 April 2015

Leadership Team News

Term 1, 2015 has been a productive term. We have learned, laughed and sometimes lamented (when we got things wrong). The popular wisdom is we tire towards the end of something, but not at St Francis College if the last two weeks are anything to go by.

We have been busy with Harmony Day, the Prep – 6 Disco, Exams, Assignments and the Prep-6 parent teacher discussions. Lots of fun was had at the Prep Pirates and Princesses celebration of learning day on Monday 30th March. As for the Prep – 12 Cross Country, it was so disappointing to have to postpone this event. My thanks is extended to Mrs Emma Allam and Ms Jordan Litzow for the great organisational skills that they have displayed.

We remind parents and caregivers that Middle and Senior Phase (Years 7 – 12) reports will be mailed home on the holidays. Please take the opportunity to congratulate students on their achievements. If reports are not all you or students expected, then this is a good time for reflection and setting new goals as the year is still young. Middle and Senior Phase parent/teacher interviews are scheduled for next term. I hope parents/caregivers prioritise these very important conversations.

There is much evidence in the cooperative work of staff, students and parents that we are enacting our theme for 2015:

It is in Giving that we Receive (Epiphanies and Opportunities).

Last week on the Prep – Year 6 assembly, Ms Judy Simjanov and the Year 2 class presented an item about Palm Sunday. I include the YouTube song they used which was delightful.

http://www.youtube.com/watch?v=5jtDqKkdS1M

A few weeks ago, five staff commenced training in a Visible Learning program. This professional development course explores how evidence can be used to create innovation in the learning environment. It focuses on the research of John Hattie, who is currently the Director of the Melbourne Education Research Institute. His research involves millions of students and represents the largest ever evidence-based research into what actually works best in schools to improve learning. (Evidence is the process of gathering, analysing, interpreting and using information about students’ progress and achievement to improve teaching and learning.) The mission statement of Visible Learning is to build the capacity of learners to learn, teachers to teach, leaders to lead and systems to improve teaching and learning. I thank our Visible Learning Team - Mr Julian Cotter, Sr Lee Veriga, Ms Cathy Barrett, Mrs Stacey Readman, Mr Lachlan Grove, Ms Stephanie Geobel and Mrs Maree Billborough for their commitment to this project.

Earlier in the term, the St Francis College Leadership Team attended the Cluster School’s Conference on the Gold Coast. While some of this time was spent engaged in dialogue and discussion with our colleagues from neighbouring schools (as well as staff from Brisbane Catholic Education), having time to work on the College’s Strategic Renewal Plan was beneficial. The College Strategic Renewal Plan contains strategic goals that span a 5-year-cycle (from 2013 – 2017). These goals are accompanied by a series of actions that we have identified for 2015. Our Strategic Renewal Plan is a comprehensive document that highlights the major focus areas occurring in the school this year. Staff at St Francis College also set goals and these align closely with the School’s Strategic Plan. Towards the end of the year, we will evaluate the efforts we have made in achieving the actions that have been set and use this data to plan for the following year.

In Term 1 we have been happy to share our fields with Browns Plains Rugby Club. They have used our fields to train their younger teams. It is great to see our fields full of young people engaging in sport and fun. Well done to Mr Harry Norris for bringing our two organisations together and for showing once again how we folk in Logan work together for the good of all. Logan really is a special and cooperative community.

In this, one of the holiest weeks in the Church calendar, I would like to share with you the words of Ms Pam Betts, Executive Director of Brisbane Catholic Education in her weekly bulletin to staff:

As I write my final reflection before our Easter vacation I am particularly mindful of our Prep and Year 1 students. Their religious curriculum has a particular focus on the scriptural content of the Holy Week and Easter liturgical celebrations.
Students learn about the Old Testament and New Testament stories that tell of a God of creation and goodness. They have listened to stories about Jesus’ life, his mother Mary, his teachings about love, compassion and forgiveness that challenged people about the way they were living; and of his suffering, death and resurrection. The appeal and relevance for every age group is indeed one of the great beauties of our Christmas and Easter celebrations.

For the early Church Fathers the beauty of these liturgies was the anima ecclesiastica – the Christian soul identified with the Church who is mother. This is the earliest theology of Mary, who was revered as the Muller fortis, the ‘valiant woman’ standing at the foot of the Cross.

The reference to the Good Friday Gospel reading from John is a reminder of our own lifelong curriculum that we too first heard as young children:

Seeing his mother and the disciple he loved standing near her, Jesus said to his mother, “Woman, this is your son. Then to the disciple he said, This is your Mother. And from that moment the disciple made a place for her in his home. (John 19:25-27)

The ancient Church had a sincere fondness for connecting this event with the beginning of the Mater Ecclesia, Mary as the Mother of the Church. Two millennia later the Church still reverences this human person and Mother of the Lord who lived out her faith from Nazareth to Calvary and Pentecost. Our personal Easter journey is also a call to be in solidarity with Mary’s concrete human existence lived out day by day towards the risen Christ.

I would like to wish all our families a very happy and holy Easter. May you be blessed with the graces of the risen Lord.

Safe travels for those who are taking some time away as I will be until 23rd May.

As mentioned previously, Mr Les Conroy will be Acting Principal in my absence.

Tricia Kennedy

On behalf of Tricia, Les and Julian

Staff News

In Term 2, we welcome the following staff members:

Mr John Aoese and Mr Tamara Fisher Carnes who join our cleaning staff.

Mrs Margaret Homan who will be working with us in Workplace Health and Safety.

Congratulations to staff taking up new positions:

Ms Michelle Ferguson who will be Acting in the Middle Leader of Practical Arts while Ms Rachel Kilby is on maternity leave.

Mr Gabby Triffan who has added working in the grounds to his cleaning duties.

Mr Sam Yates who will be Year 7 teacher while Ms Rachel Whittaker is APRE (until 23rd May). Mr Yates will then join our Learning Support team for the remainder of the year.

Staff Profiles

Particularly in a large school setting, it takes time to put names to faces. We hope you enjoy learning more about the sensational staff at St Francis College.

This week Mr Julian Cotter is Super Star No.1

- Julian enjoys any form of exercise and is a keen cyclist.
- Julian loves to cook and believes that “a meal begins at the market”.

To find out more, click on the link below!

Miss Katrina Howie is Super Star No. 2

- The silliest thing Katrina has done was buy her groceries and left without them.
- The thing she detests the most is lentils.

Religious Life of the School

The Value of Reconciliation

St Francis and St Clare recognised that the fullest expression of God’s love is forgiveness and therefore it is essential that as Franciscans and as members of a Christian community we strive for reconciliation and to restore right relationships. Forgiveness/reconciliation does not forget or ignore pain, but allows for new possibilities, change, growth, and life.

“Lord, if another member of the church sins against me, how often should I forgive? As many as seven times?’ Jesus said to him, ‘Not seven times, but, I tell you, seventy-seven times’” (18:21-22).

At St Francis College, we understand that humans make mistakes and sometimes the mistakes cause a lot of pain. It is because we recognise the dignity of each person and the call to love and to forgive one another, that we seek to heal relationships so that all can have life and live it to the full.
On the Road to Emmaus

The past weeks have been marked by some shocking events; the tormented pilot who crashed 150 people to their deaths in the French Alps, devastation by cyclone in our neighbouring country Vanuatu, the deaths of tourists in Tunisia and other atrocities in Africa and Syria. Sometimes when tragedy strikes, it is difficult to make sense of it all and to keep faith in a loving and compassionate God. The response by this community to the cyclone damage in Vanuatu, reminds us of the compassion and solidarity humans have for and with each other.

This week at St Francis College and in all Christian communities, the story of Jesus’ last days will be told. Jesus lived his final years amongst the poorest and outcast challenging the authorities of the time to seek authentic truth, to bring about God’s reign on earth. His example, followed by St Francis and St Clare and their time with the poor, the lepers and the outcast is emulated by Pope Francis as he seeks to highlight the plight of sufferers of Aids and others in jail and on the margins of society.

Jesus was a radical and, like others who speak to the heart of what is truly human, he was initially lauded by his followers. On what Christians celebrate as Palm Sunday, Jesus was welcomed into Jerusalem with the waving of palms and cries of “Hosana”. A few short days later, he was abandoned by his friends and, like all radicals who make authorities and leaders feel uncomfortable, and who might be impacting on the psyche of the masses, they plotted to get rid of him and he was subjected to torture, ridicule and ultimately a humiliating death on the cross. Yet Jesus trusted that death was not the end. Jesus called his disciples to continue his mission to bring about God’s reign on earth. Christians are a resurrection people and in the spirit of that hope we enter this Holy week in memory of Jesus and with the Christian hope of resurrection that we continue to fight for justice, dignity of the human person and the fullness of humanity.

Ms Cathy Barrett (Assistant Principal Religious Education: 6-12)

Teaching and Learning News

Prep Celebration of Learning

On Monday our Prep Students had a Celebration of Learning that culminated in a "P" party. They came dressed as pirates, princesses, policemen and policewomen...... Some students even wore their pyjamas! It was a PERFECT day thanks to the planning and preparation done by the teachers and their aides.

Year 5’s Incursion

On Thursday 26th March, 5PCBC and 5PCJD had an incursion based on Australia from the 1800’s! Everyone who came had to have a licence for our gold digging. We were all pretending to be at the famous Eureka Creek (just near the Science lab at the High School).

As we were walking up to Eureka Creek a Bush Ranger came out of nowhere and threatened the classes to give him all the gold we had but none of us were fooled. The Bush Ranger then asked us “Have any of you gold diggers seen Sheriff P?” After that we split up into class groups - 5 PCBC went with Miss A and learnt a bit about the gold rush that happened in 1860s. Miss P who was with PCJD taught them about haggling and shops back then.

We were all excited because we were making tents and it was so much fun. The main aim was to work together as a team. Miss P was inspecting everyone’s work. Later on we all had lunch and went back up. Everyone was excited because our first activity was code cracking. We had to find the numbers on our sheet on trees or on an object and it would reveal a letter, which would then give us a bushranger. My group won.
The next activity was Gold Rush. It is when we had to find gold and take it to the authorities (Miss Ciuffetelli, Miss Darcy and Jacob Lake). After, we learnt how to make and cook damper, then we were able to eat it. Everyone loved it! When the day came to an end everyone who was there now certainly has the knowledge about the 1800’s. We had lots of fun!

**By Maddy Iva (5A)**

### Year 5 Gold Rush Day

#### Year 7 & 8 News

Students in Years 7 & 8 have had a great first term.

In Years 7 & 8 we run two different competitions. One is the stamp system, where students are given a stamp in their diaries each day in the morning by their PC teachers. These stamps are a visual cue for the students that tell them that they are doing the right thing in Pastoral Care class. To receive a stamp in their diaries all the students need to do is be in correct full day uniform and have their diaries and technology devices with them at the start of Pastoral Care Class. At the end of each term the students that have consistently received stamps have their names put into a raffle and they have 5 chances of receiving a $20 gift card from Coles/Myer.

The lucky winners for Term 1, 2015 are:

<table>
<thead>
<tr>
<th>Year 7</th>
<th>Year 8</th>
</tr>
</thead>
<tbody>
<tr>
<td>Run Sin Mawi</td>
<td>Melanie Letufuga</td>
</tr>
<tr>
<td>Laswon Bell</td>
<td>Sharenece Deen-Butterworth</td>
</tr>
<tr>
<td>Joshua Moza-Dekker</td>
<td></td>
</tr>
</tbody>
</table>

All students who were eligible for the raffle will also receive a certificate from the Year 7 & 8 Pastoral Care Team in the mail with their report cards. Well Done to all those focussed and hard-working students.

A uniform competition is also run between PC classes and, at the end of each term, the class with the highest number of students wearing the correct uniform win a lunch time party. It was a very close race this term and the winners were 7-1 and 8-2. For their prizes 7-1 will be having a party lunch and 8-2 will be having a pizza lunch.

I would like to take the time to thank all parents / guardians and teacher (especially the Pastoral Care teachers of Years 7 & 8) for their support.

Enjoy the Easter holidays and we will see you back in Term 2.

**Mr Jim Boucher (Years 7 and 8 Pastoral Leader)**

### Middle Years Matters

We made it!! As we move towards the last few days of Term 1, 2015, and enter into the journey towards Easter, it’s good to take some time, as a Middle Years Learning Community, to reflect on the term and give thanks for all the gifts shared during this time.

- What experiences have I had over the term that I am grateful for?
- What is there about the challenges/difficulties I have experienced that I can be thankful for? (e.g. What have I learned? How have I grown?)
- What opportunities do I have that I am thankful for?
- What have others in my life done that I am thankful for?

This week we include and celebrate Year 7-3’s Charter of Belonging.

The coming holidays provide students and teachers with the opportunity to step back, rest, renew and reenergize ourselves in preparation for Term 2. During this time we might consider the advice from Andrew Fuller on ‘How to be Happy’.

The art of making yourself happy is something we can all learn and practice. No one is happy 100% of the time. Life has its ups and downs. Even so there are some sure fire ways to increase your happiness.

1. Don’t wait to see if you are having a good time. Instead of going to places and seeing if it is fun decide in advance to have fun regardless of the circumstances. Enjoy the day regardless of the weather. Make the most of the occasion regardless of the company.
2. Go outside and play. You were told to do this as a kid and I’m telling you to do it again, play more. Go for walks, throw a dog a stick, skip, sing loudly or imagine yourself to be a spy passing through enemy territory. Whatever does it for you. Make a promise to play more.
3. Develop deep friendships. Your friends are your true wealth, Value them and see them regularly, Let them know how important they are to you. Most people only have two close friends so don’t fool yourself into believing you are less popular than most people.
4. Increase the closeness of extended family. Keeping in close contact with your family gives you a support base for difficult times and also strengthens your sense of where you come from. Feeling you belong in a family is a powerful way of being happy.

5. Play to your strengths. Have a good long hard look at yourself. What are you good at? Make a commitment to develop your skills, talents and abilities as much as you can. If you don’t develop your own unique talents the world misses out.

6. Seek out groups that most strongly value what you have to offer. Finding the niche where your abilities are valued is the basis of success.

7. Avoid social groups where your unique attributes are not valued. Not everyone is going to like you or think you could amount to much. Get used to it. Accept that it is so, and then get out of their way.

8. Live in the dreamtime. Find and follow your passions. Dream big dreams and make a promise to yourself to live a wonderful life.

9. Laugh a lot more. Find people, shows, books, films and situations that make you laugh and surround yourself with them.

10. Have something bigger than yourself to believe in. Think about the contribution you can make while you are on this planet and do it.

11. Love as much as you can - and then love some more.

Copyright Andrew Fuller www.andrewfuller.com.au

Thank you for your continued support with the learning and teaching development of all our Middle Years students and teachers. Wishing you and your families a very happy and blessed EASTER celebration.

Sr Lee (Assistant Principal: P-9 Curriculum)

Student Services News

Our Angelo building will be open every morning tea and lunch next term with a series of activities scheduled for Prep to Year 9 students.

Year 10 Media Class Photography Excursion

On Friday 13th March, the Year 10 Media class went on an excursion to Brisbane city and Southbank. This excursion offered students an excellent opportunity to put in practice their knowledge and understanding of the Street Photography theme covered during this term. Students were able to apply their technical knowledge when taking photographs and develop a series of shots to be submitted as a main component in their assessment. Well done to everyone! You certainly represented the school in an excellent way, wearing the school uniform with pride, showing a great sense of community, well behaved and great manners! A big thank you to Miss Laura Hawkins for coming with us on the day. Here are some of the sample photos taken by our talented students.

Mrs Claudia Crow (P-12 Student Services Learning Support)

Legal Studies Court Visit March 2015

It was an early start but we felt it was worth it! The Honourable Justice Debra A Mullins very kindly gave up her time to chat with us and answer questions from the students. Judges’ talks are a prestigious event and we were delighted that we would be having a talk. Some messages that the Justice gave was the hard work and determination that is needed to achieve success. The other message was that in her court room over the years there have been a lot of (and mostly) males who have committed serious offences that are alcohol and drug related. This message was very powerful and poignant, particularly for the males in the group. In the court room, we saw the empanelling of a jury, witnesses being questioned and a sentencing hearing; terrific learning opportunities in understanding how the court works. The classes would like to thank The Honourable Justice Debra A Mullins for giving up her valuable time to talk to students.

Mrs Christine Rolfe (Technologies Faculty: 7-12)

Parenting Ideas

Helping Kids Deal with Rejection

A bit of rejection and disappointment is good for kids, as long as they learn how to cope with it. One of the keys to functioning socially and emotionally is the ability to deal with disappointment and rejection.

iParentingideas Magazine

Do you enjoy reading the Michael Grose Parenting Flyers we place in the newsletter each fortnight? If so, you will love the iParentingideas Magazine. This issue is a fabulous mix of up-to-date research (‘The stress of teen success’), age-appropriate advice (‘Grief: A child’s perspective’) and inspiration (‘Creating creative kids’). It is written by a team of parenting experts and expert parenting writers and is perfect for parents of primary and secondary school students.

Attendance Percentages for March

Congratulations Year 9 for the best attendance record for March. All year levels were over 90%. Well done! -Year 7 – 91%, Year 8 – 90%, Year 9 – 93%, Year 10 – 90%, Year 11 – 90%, Year 12 – 91%

Attendance at school every day gives your child the best opportunity to do well.
If your child misses:

Uniform Expectations

At St Francis College our school rules are Respect self, Respect others and Respect the environment. One of the ways we practise these rules is by taking pride in our school and ourselves by following our uniform code.

When we are dressed correctly we convey that we are proud to be a St Francis College student. Information in regards to our Uniform Code can be found below.

**Counsellor Corner**

Recently our Guidance Counsellors provided valuable input at a Year 12 Information Evening. Those in attendance provided positive feedback on their presentation and suggested that information was shared with those unable to attend. Even if your child is not currently in their Senior Years of School, it is worthwhile reading what lies ahead.

**Career Days and Expos**

Aviation Australia’s Career Days offer you the chance to explore what we offer, experience some of the most advanced training equipment and speak to industry experts to discover what life as a Flight Attendant is really like.

*Miss Kaitlyn McNamara (VET/Careers Coordinator)*

**General News**

**Harmony Day**

Harmony Day celebrates Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging for everyone. Each year this day is held on 21st March.
St Francis College recognised the 15th annual Harmony Day on Friday 20th March by inviting our school community to a delicious breakfast where guests had the opportunity to see our FANTASTIC Samoan dancers perform. Some staff, parents and students in Years 10-12 also had the opportunity to hear Chris Miranda, President of the Refugee Association in Logan, speak on the plight of asylum seekers in Australia. His presentation was very thought-provoking as we learned of the harsh realities faced by those seeking asylum.

Harmony Day celebrates Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging for everyone. The message for all of us: Harmony doesn’t just happen - it’s a community effort. We are so lucky to have such a multicultural community where diversity is not only accepted, but appreciated; a community of families who always display a “How can I help?” attitude, regardless of their own situation.

The Vanuatu Relief Appeal

The Vanuatu Relief Appeal is yet another example where families come together to provide those in need with support. The donations received at the school were amazing: blankets, sleeping bags, clothes . . . We had it all!

Deahre Tauti Auvua’a (mother of Sarayah and Tabori) who led this appeal wanted to share her appreciation with the school community:

Please accept a massive thank you to St Francis for your generosity, love and messages of support to the victims of Vanuatu from cyclone Pam.

We received so many donations of which the Ni Van community will be forever grateful.

Tabori Tosusu, Sarayah Tousu and Joshua Abela

ANZAC DAY 2015 – A Special 100th Anniversary Event

We strongly encourage all members of the St Francis College community to join us on ANZAC Day as we mark the 100th anniversary of the landing at Gallipoli. This is such a unique opportunity – one not to be missed!

When: Saturday, 25th April at 9.30am.
Where: Blackwell St Corner (just above the Greenbank RSL)
Who: Children from Prep to Year 12 (Day uniform please)

Parents/ Caregivers please collect your children at the end of the parade after the service.

Rob Canning (Assistant Principal Religious Education: P-9)

SFC Community Hub

A Good News Story

This week, we would like to share a letter that came from a member of our community who desperately sought assistance for a friend in need. Assistance was offered by Tammie Usher from our Community Hub and several families in our school. We appreciate the generosity of those in our school community and are humbled by the fact that a letter of thanks has come our way.

I was approached by a family in the school to tell me that her friend was in desperate need. His partner had just cleaned out his house and was left with nothing except the walls and the floors. This man also had two small children. My heart was bleeding and my head started to think what I could be doing for this family. I took my daughter to the shops that afternoon and we bought him the bare essentials for his kitchen like a kettle, toaster, pans, plates, bowls and cutlery, so at least they had the basics to cook with. We delivered these items to him that afternoon. I returned to work the next day with a mission and that mission was to try and help this family get some furniture for their house so that there could be some kind of normality in their lives. I was referred to Noelene from Logan’s Helping Hands so I gave her a call to explain what had happened and I pleaded for some kind of help for this family that had been left with nothing. I started to talk to people around the Hub and the school. Some wonderful parents brought in bags full of linen, quilt sets, bath mats, and clothes for the children and books. That afternoon we had a truck pull up and deliver a house full of furniture. He was amazed and didn’t understand how he got so lucky, I replied it was not that he was lucky but he was a part of a community and that community always come together to help where they can. He was speechless and did not know what to say but the smile on his face said everything. Yesterday morning he was left with nothing and today he had a whole house full of love and somewhere he could call home again thanks to the wonderful support of Logan Helping Hands, the community members of St Francis and a Community Hub leader who went that extra mile to help a family within our community. A well done effort by all!

Ms Tammie Usher (Coordinator)
Parish News

As we celebrate Holy Week, I encourage all families to attend the range of events held in our Parish. Holy Week is a significant time in the Church calendar; a time when we reflect on the great sacrifice that Jesus made for us. Please join our Parish School Community in prayer and worship.
