

Vision

Empowered, reflective and connected learners in a contemporary Catholic community.

Mission

We will nurture a climate which encourages wholeness, esteem, hope, care, compassion and understanding.

Pillars

Respect
SELF

ENVIRONMENT

Priorities

Catholic identity

Goal

- Engage staff and students in rich, contemporary, meaningful liturgical experiences.

Strategies for improvement

- Increased engagement in liturgical experiences.
- Meditative prayer practices as part of daily routine.

Success measures

- Family Group/Cool Connections Masses, Opening and Closing Masses.
- Student/Staff Formation.
- Develop and promote 'Franciscan Five'.

Learning and teaching

Goal

- Embed consistent and effective pedagogical practices in planning and teaching.
- Promotion of a learning culture (via implementation of Learning Goals).

Strategies for improvement

- Writing is explicitly planned for and documented in learning areas.
- Moderation of students' work samples.
- Teachers use student feedback to transform student learning outcomes.

Success measures

- Implementation of moderation practices.
- Student reports reflect growth in achievement of Learning Goals.

Wellbeing

Goal

- Nurture the development of respectful relationships across the College.

Strategies for improvement

- Continue with P-12 staff gatherings/events.
- Reinstate face-to-face gathering for Staff Prayer.

Success measures

- Interconnected and cohesive staff group working towards collective achievement of College goals.
- Demonstration of a common language and collective understanding of safe, respectful, and caring relationships.

Our people

Goal

- Foster a sense of community and increased engagement within staff, student and parent groups.

Strategies for improvement

- Continued support and development of staff (ECT and pathways to leadership).
- Staff social and formation opportunities.

Success measures

- Cohesion within staff group across P-12.
- Parent engagement.

Diversity and inclusion

Goal

- Develop a shared understanding and language of differentiation.

Strategies for improvement

- Use data to identify and drive differentiation.
- Differentiation is a feature of every teacher's practice.

Success measures

- All students are motivated, challenged and stretched in their learning with fewer behaviour issues – monitored via Engage.
- Personalised learning.
