FRIENDS OF ST FRANCIS CONTRIBUTION POLICY

POLICY

Catholic schooling at St Francis College is available to all families who seek our religious and educational values. Thus, enrolment at St Francis carries a responsibility upon families to support the ethos and values of the College. A Catholic community is created through the contribution of all its members – students, staff and parents. Parental support and contribution is vital to the academic, pastoral, spiritual, sporting and social success of St Francis College.

St Francis College values the generosity of parents who partner with the College in the education of the students as well as to develop partnerships within the wider College community. The Friends of St Francis (Parent Community Group) levy exists to facilitate improvements to enhance educational outcomes for the students.
